Voluntary Contributions

Billanook Primary School continues to welcome your voluntary contributions to support our school.

Maintaining our grounds and buildings to a high standard and fulfilling the demanding obligations of OHS requires input from parents. We invite you to contribute \$60 per family towards Building and Grounds Improvement maintenance. This component of the payment is a **'PER FAMILY'** contribution to be paid at the beginning of the year. These funds will be used for working bee costs, urgent repairs, and wages for a qualified maintenance man to undertake necessary maintenance, repairs for the safety of the students, staff and parents in the school grounds. Due to our unique environment the funding we receive from the Department of Education for the maintenance and upkeep of school grounds is insufficient for our needs

<i>Bulk Class Supplies per student</i>				\$96.00
