Dear Parent/Guardian,

Billanook Primary School is looking forward to another great year of teaching and learning and would like to advise you of Billanook Primary Schools' voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to provide a trolley of laptop computers for our Level 3-6 students to share with their neighbouring class. It has also allowed us to maintain our fleet of iPads that are used from Foundation to Level 2. The contribution to the Grounds and Maintenance fund has provided the opportunity to improve the front of the school, including replacing the old timber retaining wall with the new brick wall. The Grounds and Maintenance fund has also allowed us to have the finances to contribute towards the reinstatement of the retaining wall and stage area on the side of the oval.

Department of Education guidelines now mandate that schools are unable to provide parents with a statement of fees.

**Ordering Student Book Back and Payment Method has changed for 2022. No stationary will be collected from school.**

Order your Student Booklist Pack and pay your financial contributions at <https://booklist.officebrands.com.au/Croydon> please see attached flyer for ordering information and instructions.

Yours sincerely,

## Payment methods

Order your Student Booklist Pack and pay your financial contributions at <https://booklist.officebrands.com.au/Croydon> please see attached flyer for ordering information and instructions.

## Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case-by-case basis taking into account the individual circumstances. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.
