BILLANOOK PRIMARY SCHOOL – POLICY BOOK

- contribute to positive learning, engagement and wellbeing outcomes for students.
- continue to promote and teach student inclusive behaviour utilizing the values of *Tribes* which fosters respect for difference in ability, culture, gender, interests and dreams.

Bullying, harassment and other forms of inappropriate behaviour targeting individuals because of their personal attributes will not be tolerated in our school community. Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Billanook Primary School will take appropriate measures, consistent with its *Student Wellbeing and Engagement* and *Bullying* policies to respond to discriminatory behaviour or harassment at our school.

Billanook Primary School also understands that it has a special obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners.

For more information about support available for students with disabilities, please refer to our school's *Student Wellbeing and Engagement* policy and *Health Care Needs Policy* or contact the Principal for further information.
