Billanook Primary School
YARD DUTY AND SUPERVISION POLICY

PURPOSE
To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE
This policy applies to all teaching and non-teaching staff at Billanook Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY
Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Billanook Primary School's grounds are supervised by school staff from 8.45am until 3.45pm. Outside of these hours, school staff will not be available to supervise students.

Billanook Primary School's oval and mini oval, and front buildings are supervised from 8.45am to 9am. After school the front of school entrance, Taruna Rise crossing, main car park crossing and gravel gate exit will be supervised from 3.30pm to 3.45pm. All other play areas (red, green and yellow) are supervised by school staff for the duration of recess (11am to 11.40am) and lunch (1.50pm – 2.30pm).

Parents and carers will be advised through information on our school website, regular reminders in our newsletter, and Compass posts that they should not allow their children to attend Billanook Primary School outside of these hours. Families will be encouraged to contact the school on 9728 2624 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

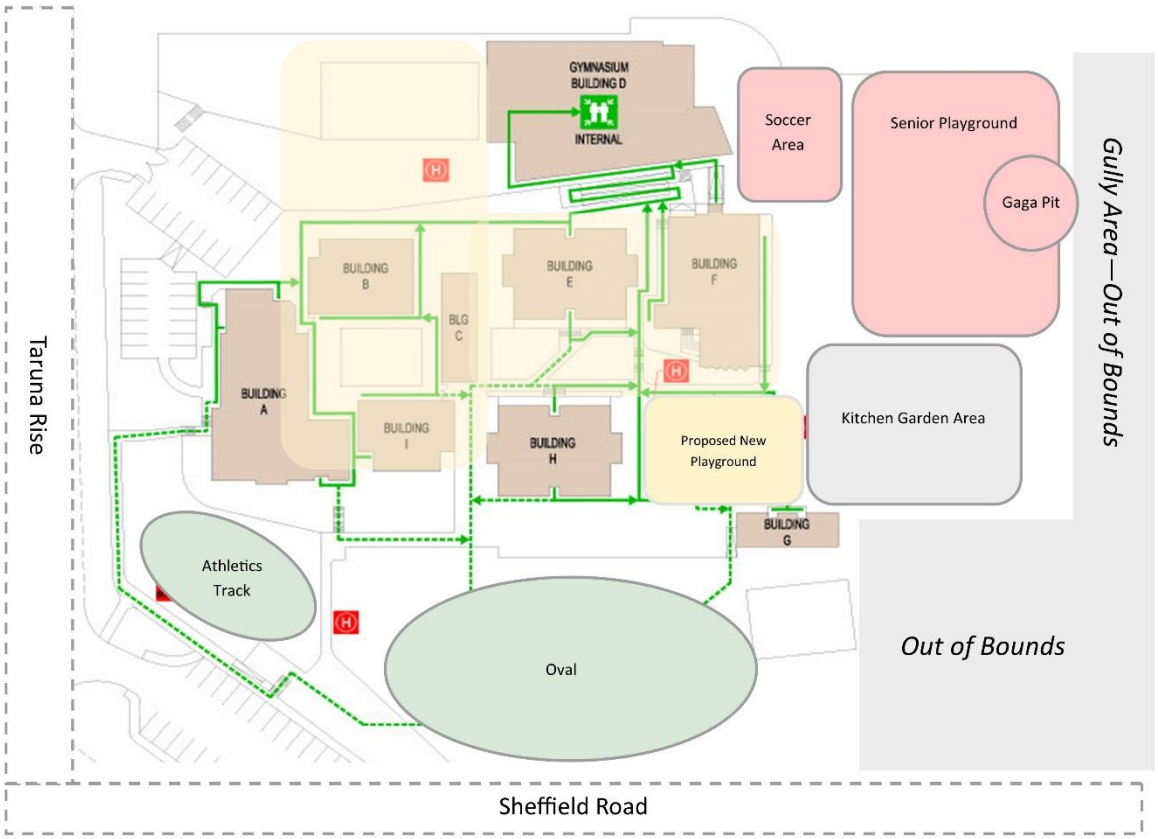

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

Yard duty

All staff at Billanook Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Billanook Primary School, school staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school as at Term 1, 2026 are:-

Zone	Area
GREEN	Mini oval and down ball court area
YELLOW	Courtyard, toilets, sandpit,
RED	Playground equipment, gymnasium open area, upper basketball court and kitchen garden

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Staff will collect a first aid bag and vest stored in the cupboard in the staffroom.

During yard duty, supervising staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the cupboard in the staffroom.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the cupboard in the staffroom.
- Be familiar with the yard duty information pack containing student health and safety information stored in the yard duty bags.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member. A bell will sound at the half way mark, at this point teachers will be relieved of duty by the next designated staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones on the play equipment
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office or call the Assistant Principal, and not leave their designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class. If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact their neighbouring teacher for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

School activities, camps and excursions

If staff are absent due to an excursion, staff should ensure they swap any allocated yard duty.

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved and will follow the supervision requirements in the Department of Education and Training Excursions Policy.

Digital devices and virtual classroom

Billanook Primary School follows the Department's Cybersafety and Responsible Use of Technologies Policy with respect to supervision of students using digital devices.

Billanook Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in classroom spaces.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored daily
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to

roster additional staff as required. This may include on yard duty, in the classroom or during school activities

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

During transitions (toilet breaks, moving between classrooms etc)

When students are required to move around the school for movement breaks, toileting or running errands they will be sent in pairs with their return monitored by the classroom teacher.

Students using the Sensory Room will be monitored by leadership with the classroom teacher calling ahead to ensure staff are present.

COMMUNICATION

This policy will be communicated to our school community in the following ways;

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included in our staff handbook
- Included as a reference in our school newsletter each term
- Made available in hard copy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.
